

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 10338

PERMIT 7509

LICENSE 6001

THIS IS TO CERTIFY, That

Southern California Edison Company
P. O. Box 351
Los Angeles 53, California

has made proof as of July 31, 1959,
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
San Joaquin River in Fresno and Madera Counties

tributary to Suisun Bay

for the purpose of power and incidental domestic uses
under Permit 7509 of the State Water Rights Board and that said right to the use of said water has been
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the
terms of the said permit; that the priority of the right herein confirmed dates from December 3, 1941
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed three thousand two hundred
(3,200) cubic feet per second by direct diversion to be diverted from January 1
to December 31 of each year and twenty-six thousand one hundred twenty (26,120)
acre-feet per annum by storage to be collected from about September 1 of each
year to about April 15 of the succeeding year.

The maximum withdrawal in any one year has been nineteen thousand six hundred
fifty (19,650) acre-feet.

The point of diversion of such water is located:

North fifty-two degrees two minutes fifty-eight seconds east (N 52°02'58"E)
two thousand seven hundred eighty-eight and two hundredths (2,788.02) feet from
SW corner of Section 15, T9S, R23E, MDB&M, being located in the NE $\frac{1}{4}$ of the SW $\frac{1}{4}$
of said Section 15.

A description of the lands or the place where such water is put to beneficial use is as follows:

The water is stored at Redinger Lake and is used for power and incidental domestic
purposes at Big Creek Power House No. 4, within NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 20, T9S, R23E,
MDB&M.

The terms of the license are not to be construed as a restriction upon the release
of water from storage (1) to satisfy prior rights of others to the use of such
water, or (2) in compliance with the terms and conditions of the license issued by
the Federal Power Commission for Project No. 2017, designated the Big Creek No. 4
Project.

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time
to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein
specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
